

JOIN THE 3D PRINTING PARTY!

THE **Pocket Factory** brings you a one-night, two-hour crash course in computer-aided design and 3D printing; turn your dream widget into plastic reality *ON THE SPOT!*

WHEN: This Wed, Feb 8, 7–9pm

WHERE: Workantile (118 S. Main St., Ann Arbor, 48104)

WHAT: Learn 3D design and instant 3D fabrication; *keep what you make!*

SUPPLIES: Just bring a laptop!

COST: \$20 (savvy adults & precocious teens welcome!)

HOSTS: **Bilal Ghalib & Alex Hornstein** of **Pocket Factory** (<http://pocketfactory.org/>), and **David Erik Nelson**, author of *Snip, Burn, Solder, Shred: Seriously Geeky Stuff to Make with Your Kids*
